English 7  
Winter/Spring

Find **two** different people who can give you good (maybe different) definitions for each the following words:

terror	horror	suspense
blood-chilling	revenge	persistence
	obsession	

Find a **different** person who can help you answer **each** of the following:

1. How does music create a scary mood in movies or television?

2. Would these stories have had the same effect on you if you had heard them on the radio? Why or why not?

3. What is fear?

4. What is the difference between horror and terror? Which is scarier?

5. What is madness?

6. What is the difference between persistence and obsession?
