

Name: _____
Individuality/Symbol Strip

Class: _____
Fall

You need:

- 3 feet of cash register tape
- markers; colored pencils
- creativity and imagination

1. Take your cash register tape and fold it in half so that it is approximately 18 inches long. Keep folding it in half until you have about a 2 inch square.
2. Unfold your cash register tape, and cross out two boxes on each end, leaving you with 12 boxes.

3. In each of the remaining squares, draw a picture that best represents you. It can be something you like such as
 - a. a sport
 - b. an animal
 - c. a type of food
 - d. a place
4. It can represent
 - a. your family
 - b. your beliefs
 - c. your nationality
 - d. what's important to you
5. Be prepared to share you individuality/symbol strip with the class.

NOTE: All of your work must be original. Do NOT use clip art, magazine pictures, etc. Artistic ability is not necessary, but neatness, color and thoughtfulness are. Please think about what you want to place in each box. What does it say about you?
